Other Information

Installation	Standard Fiber installations are completed without charge to you. A Standard Installation includes on-site installation by LBNCo. It does not include any cabling that doesn't directly relate to the installation of the Fiber equipment; A General Power outlet (GPO) is NOT included. You must make your property (both inside and outside) available to the contractor for the works they are required to perform. Upon completion of the works you will be asked to sign acknowledging acceptance of the installation. If your installation is non-standard, LBNCo will discuss and obtain your agreement to any additional charges before starting the work and these charges will appear on your OCCOM bill.
