

NETGEAR

For the fastest set up, download the Orbi app
from Orbi-App.com

Go to Orbi-App.com and download the Orbi app on your mobile
phone or tablet device using a mobile data connection to complete
your Wi-Fi network set up.

[If you don't have a compatible smartphone, click here](#) >

NETGEAR

Welcome to Orbi

Your Orbi router needs to be configured for the first time.
Make sure your Orbi router is connected to Internet with an Ethernet cable to continue.
